Library Reserve Room Proves To Be Valuable to All Students

Within 24 hours' time between 200 and 300 students use many of the thousand books in the reserve room of the library. The record number of books used in one day was set Sept. 26, when 524 were checked out from the reserve room desk. On this Thursday, an average of more than 40 books were issued during every hour the room was open.

Any instructor may put books on reserve for use by any of his class for any period of time up to an entire semester. By reserving books, the instructor may make the books circulate to more students, as the books may be checked out for only one hour.

Reserved books may not be taken from the library except for weekends and overnight. In these cases, the books must be returned by 9 a.m. on the day they are due," warned Mrs. Barbara Tankersley, reserve room manager.

Extensive IMB Files

Students of education, teachers, and prospective teachers find another department of the reserve room especially valuable—the Instructional Materials Bureau. Here may be found not only audio-visual aids, but also almost anything that a teacher would use or need in instruction.

It is said that a perfect college graduate is defined as having a model student on one end of a log and an ideal teacher on the other end. But even the best of teachers need to refer to research material now and then," Mr. James Johnson, librarian, commented.

Guides, Tests in Bureau

In addition to films, the Bureau has for reference—outline maps, standardized tests, supplementary materials, textbooks, teacher manuals, study guides, and courses of study for different subjects. On file are achievement, intelligence, personality, and vocational tests, samples of various records a school should keep on the development of a child, and skeleton samples of a future file for the elementary school.

The Bureau includes primarily material on the elementary and secondary school levels for college students to use. Missouri courses of study are also available to student teachers as another service of the reserve room.

Unbound magazines are kept in the reserve room until a whole volume has been collected and then they are either bound or put on micro-film. When micro-cards are used, one issue can be filmed on just one 3 by 5 card. Filming is preferred to binding because the former is more portable, it can be stored in a much smaller space, and it is impossible for scissor-happy readers to cut out (Continued on Page Three)

Variety Tickets to Be On Sale October 28-29

Tickets for the Homecoming Variety Show will be on sale to students and faculty Monday and Tuesday, October 28 and 29. The price will be twenty-five cents with the activity card.

Tickets will be sold in the hall for Thursday evening's show and in the Field Service Office for Friday's show.

After Tuesday, the price will be fifty cents.

Administrators to Be Here for Conference

Administrators Workshop will be held Thursday, Oct. 24. Mr. Homer Bolen, state supervisor of schools of the state department of education, will conduct the meeting at the Union building.

Superintendents of all schools from Gentry, Worth, and Nodaway counties will attend this workshop.

Area Teachers to Meet In Training Workshop

High school drivers' training teachers of the surrounding area have been invited to the annual drivers' training workshop Monday, October 28. Coffee and doughnuts will be served at 8:30 a.m. in the Union Building. Professor Amos Neyhart will be the main speaker. The workshop is one of a series of six held at Missouri colleges this fall.

Hi-Fi Room Loses Five Top Records

Five of the newest records in the record room in the Union have been checked out but have not been returned. According to Mr. John H. Cole, assistant dean of men, such a loss could cause the closing of the hi-fi room to students.

Among records not returned are "Calypso Holiday," "Passport to Romance," "Love Me or Leave Me," "Suddenly It's the Hi-Lo's." Mr. Cole says that the return of the records will be very much appreciated.

Council Debates On World Issues

World issues found on the front page of the morning newspaper were discussed by four distinguished speakers in a miniature "Security Council" October 14 in the college auditorium.

The speakers were Ben C. Limb, Korean Ambassador to the United Nations; Peter von Zahn, one of Germany's greatest television and radio commentators; Colin Jackson, a British television and radio commentator; and John C. Metcalfe, United States representative on foreign affairs, who acted as chairman of the group.

Scientific achievements, including Russia's satellite, guided missiles, and the atom bomb, were some of the important issues discussed. Great Britain's Colin Jackson stated that foreign developments in science, such as guided missiles and the Russian satellite, were taking prominence from the United States and putting it in the capital at Moscow.

Peter von Zahn said that German exiles admitted into this country developed the atom bomb, not Americans. The German delegate warned that it is unwise for the world to underestimate the power of the enemy.

Jackson suggested that more regard for teachers and people who think should be shown, and less to those who beg.

Trade with Red China was a second topic of interest discussed, and the final item on the agenda was the Mid-East situation.

Looking Forward . . .

Foster Is Attending Annual State Meeting

Mr. R. P. Foster is attending the Annual State Registrar's meeting October 22 and 23. The meeting is being held at Stephens College.

Mr. Roy Armstrong, registrar at the University of North Carolina, is the president of the American Association of Collegiate Registrars and Admissions Officers.

Jay McShann to Play At Homecoming Dance

Jay McShann and his orchestra will be the feature attraction at the annual Homecoming Dance Saturday, November 2. The dance will be held in the State College gymnasium at 9 p.m.

Tickets are priced at \$1.50 per person for the annual event sponsored by the college.

Union to Display Conference Flags

Flags displaying M.I.A.A. conference members' colors will be flown from the Union building during the days of home games.

Instructions for proper display of flags have been received from the National Guard. Correct flag etiquette, recommended by the Guard, appears on page two.

School colors of the visiting team may fly from a place of honor opposite the Bearcat green and white. All other conference colors will be displayed in a row with the National colors flying from the center staff.

The M.I.A.A. flags for each college are rectangular in shape and are horizontally divided into two parts. Colors of colleges in the conference are the following: Kirksville, purple and white; Rolla, gray and yellow; Springfield, maroon and white; Warrensburg, red and black; Cape Girardeau, red and black; and Maryville, green and white.

Marching Bands Report for Parade

Forty-three marching bands have reported for this year's Homecoming parade, with others still expected, Mr. Everett W. Brown's Field Service office reports.

These bands, with about 2200 participants, should help make the 1957 Homecoming a memorable event. Good, excellent, and superior merit ratings will be given, based on each band's performance.

Marching bands which have thus far reported from Iowa are Corning, Kellerton, Gravity, Sidney, Murray, Farragut, Clarinda, Shannon City, Cromwell, Coin, Braddyville, Riverton, and College Springs.

Missouri bands which have reported are Tarkio, Cameron, Oregon, Fairfax, Gallatin, South Nodaway, Savannah, Stewartville, New Market, Graham, Burlington Junction, Union Star, Maysville, Forest City, Ravenwood, and Rosendale.

Hopkins, Sheridan, Stanberry, Mound City, Cainsville, Elmo, Skidmore, Clearmont, Rock Port, Grant City, Albany, Westboro, King City, and Craig.

Students Revise Constitution Laws

Tentative revision of the constitution of the Student Government Association has been completed. Larry Brown, chairman of the committee, reports that the revised version has been typed and will be submitted to President J. W. Jones.

The committee hopes that the revision will bring the constitution up-to-date with the organizations and traditions of the College.

For Your Information

For information concerning Homecoming, call 928, or inquire at the Alumni Registration Table.

All Reservations for Organizational Functions should be in by October 30.

Homecoming trophies and awards will be presented at the intermission by the Homecoming chairman, Dr. John Harr.

Jay McShann, the orchestra leader, will bring with him a group of talented jazz musicians. Several special arrangements will be presented by the group.

Jay McShann

McShann, comparable to Count Basie in his style, is a pianist who plays in the "Fats" Waller tradition and is a blues expert. Other members of the band are Harold Bruce and Benny Carter, first trumpets; Bernard Anderson, trumpet; Orville Minor, growl trumpet; Bob Mafane and Freddy Culver, tenor saxophones; John Jackson, alto saxophones; Gene Romey, bass; Lawrence Anderson, trombone; Gus Johnson, drums; and Walter Brown, vocalist.

Al Hibbler, now a Decca recording star, was discovered by McShann in San Antonio, Texas. Hibbler sat in with the band and was promptly hired. He recorded "Get Me On Your Mind," composed by Drummer Gus Johnson and arranged by William Scott, while with the band. After four years with McShann, he joined Duke Ellington.

Charlie "Bud" Parker, a well known saxophonist in the music world, was a former member of the McShann band. John Jackson, who plays alto sax, has played with the Lionel Hampton band.

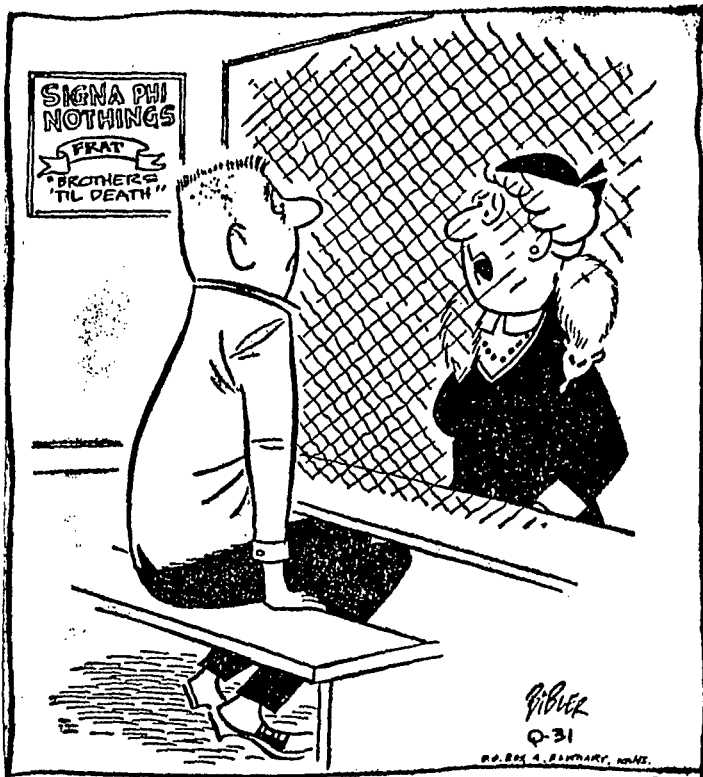

College Campus Resists Epidemic

Resistance on the part of the College faculty and students to the current claims of the flu epidemic is especially noticeable. Almost no faculty member has had to miss his classes, and only a comparatively few students have missed.

Good judgment on the part of both faculty and students will probably make it possible for this college to maintain its usual standard of classwork and activities. Normally, the best treatment for the flu is plenty of rest, plenty of liquids—preferably fruit juices, and some aspirins.

It is true that persons who feel they have the flu should minimize their relationships with others; however, the flu need not be a dangerous disease, and if proper precautions are taken, no serious complications should result from it.

Moderation in eating is as important in protecting one's personal health as temperance is in other aspects of life.

I'M SO GLAD YOU'RE THRILLED ABOUT FRATERNITY LIFE, SON—WHEN WILL YOUR "PLEDGE TRAINING" END?!

Guard States Flag Etiquette

Proper procedure to fly the United States Flag from the Union Building simultaneously displaying the flags of M. I. A. A. conference schools has been stated by the National Guard as the following:

1. The United States Flag should be flown at a higher elevation than the M. I. A. A. Conference Flags.
2. The honored position is to the right of the United States Flag.
3. The Flag's right is as you stand with your back to the Flag. (Your right is then the flag's right.)

It is the consensus of the 129th Field Artillery Battalion that the Flag of the Northwest Missouri State College should have a place of honor. (That is to the immediate right of the United States Flag, or in the case of the Union Building, it would be to the south of the United States Flag.)

The Flags of the other schools may be placed as you wish; however, the next place of honor is to the immediate left of the American Flag (or to the north). We suggest that the visiting school be given that place of honor.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to invite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

Hickory Stick Is Trophy Well Versed In Art of Travel

October 25 the Bearcats will travel to Kirksville for the 29th battle of the Hickory stick. Last year the 'Cats were defeated by the Bulldogs 21-20 to lose possession of the coveted stick.

Tradition of the Hickory Stick began during the 1926 football season. That year President Uel W. Lamkin sent the stick to Kirksville's President Eugene Fair. Inscribed upon the stick were these words: "This stick was grown on a farm in Maryville district upon which Eugene Fair, president of Kirksville college was born." A record of scores follows the inscription.

Kirksville kept the stick until 1931. That year Maryville scored but once but that was the deciding factor as the Bearcats triumphed 7-0.

Kirksville gained possession the next year and held possession for a lengthy period.

In 1938, the Bearcats struck back by beating the Bulldogs 26-7. Maryville then won the stick for the next two years by scores of 10-13 and 20-0.

In 1947 the nomadic Hickory Stick was lost. The M club, with the help of the industrial arts department, fashioned a new one. That year the 'Cats clawed the Dogs, and came out on top of a 22-6 score. They retained the stick until 1951.

Scores of the 1948-50 games were 13-12, 29-20 and 13-13.

In 1952 the 'Cats again came through by sneaking by an angry pack of Bulldogs, 28-27.

After a two-year lapse in 1953 and 1954, the Bearcats again kept possession of the stick only to lose it again last year.

In case of a tie the team previously in possession retains the Hickory Stick. Maryville since 1926 has won 11 and lost 16.

A revengeful-minded Coach Miller will turn his Bearcats loose in Memorial Stadium at Kirksville Oct. 25, in hopes of bringing the stick back to Bearcat-land.

German Girl Visits State College Campus

Miss Ingrid Mottmann of Dortmund, Germany, visited the campus Tuesday, October 1, accompanied by Mrs. Lee Field and Mrs. Frank Wagner, of Forest City.

Having corresponded with Mrs. Field for eleven years, Miss Mottmann's dream of visiting the United States is a dream come true. She will be in the country three weeks.

"American colleges are so different," said Miss Mottmann. "In Germany the buildings are so close together, but here you have so many places to go and you have plenty of room."

Mrs. Field said that Ingrid was fascinated by the large green lawns.

IT WENT TO THEIR HEADS . . . Nine freshmen boys spell BEARCATS! the hard way. M Club members survey their barber handiwork during Walk-out Day Kangaroo Court on the County Courthouse steps. There are going to be some cold heads around campus for a few days! —(Photo by George Green)

Bell Rings Traditional Walk-Out

Wednesday morning, at 8:30, the chiming sound of a bell broke the monotony of the classroom and started a stampede toward the doors. Walk-out Day had finally come.

With precision, the freshmen were headed onto the grass in front of the Administration building. After they had "buttoned" a number of times, the boys ran around the Administration building two times and chose girls with whom they would be partners the remainder of the morning. Since it was cold this October morning, the M-club thought it was only proper for the boys to give the girls their shirts and jackets.

After hopping on one leg, walking backwards, and the girls being carried two blocks, the parade finally reached the court house.

In the court yard, the freshmen, with a sizable crowd of upperclassmen, entered into the solemn and pompous court of the Honorable Francis "Bugs" Williams. Here it was learned that the freshmen would be tried before an impartial jury of M-club members. The prosecuting attorney Kenneth Dickey and the defense attorney Kenneth Stevens began the long line of cases.

It soon seemed apparent that the defense attorney, Ken Stevens, should attend a few more years of law school. Every time the defense attorney opened his mouth the judge would caution him on contempt of court and threatened to remove him from the court.

Prosecuting Attorney Kenny Dickey was the hero of the day as he won case after case. Judge Williams would then sentence the guilty freshmen.

"I declare that his hair be dyed until it's a different color," was the decree of the Hon. Francis Williams, and quickly the trembling freshman found his hair a Kelly green.

Freshman boys evidently do not keep their appearance as it should be because the court found it necessary to give many of them haircuts. It was too bad that the barber was near-sighted because he did cut their hair a little closer and in a different fashion from that they usually wear.

Mystery and intrigue was in the air as all of the offenders of the law were given some unidentifiable pills. What could they be?

"I'm forming a Yul Brynner club now," shouted one of the newly shaven freshmen who proved to be a good sport about the free haircut.

Quite different from this gala scene was the picture later that night. As the freshmen took off their beanies they were overwhelmed by sadness. Tears came into their eyes as they lovingly laid beanies aside forever. They knew that something good and glorious had been taken from their life.

What was the general reaction around the campus Wednesday night? Well, the French would say, Dieu Merci, c'est fini! This translated into the language of the N.W.M.S.C. freshmen is — Holy Cow! It's over.

Higgins, Russell Wyman, Tom Dorsey, Carl Haines, Sam Holmes, Ernie Mertz.

A. F. Class to Be Held

A class for Air Force veterans is being held Mondays, 8 to 10 p.m. in the Administration building. Advance retirement time and a day's pay will be given for this class to those student Air Force veterans who qualify. Anyone interested may contact Dr. George Gayler, or staff Sgt. Ray Dominguez, 9725th Air Reserve, St. Francis Hotel, St. Joseph, Mo.

Colorful Costumes Highlight Party

More than forty Sigma Sigma Sigma rushees attended the recent informal rush party in the basement of Mac's Steakhouse. Gay, colorful costumes highlighted the event in keeping with the theme of Mardi Gras.

A trio consisting of Marcia Rucker, Eva Lee Hess, and Patsy Salmon welcomed the girls with an appropriate song. Mistress of ceremonies, Nancy Young, interviewed a number of the actives in character of their costumes. A humorous script including the names of each of the rushees was read by Jo Beeson and Barbara Julius. Several numbers were played by an impromptu band led by Eva Lee Hess.

Library Reserve Room Proves Valuable to All Students

(Continued from Page One)
Covering the walls of the reserve room are shelves of reference books given to the library by various publishers. These books cannot be taken out of the room, but anyone may send to the publishing company to get a copy of his own. Anyone wanting a book on any elementary or high school subject could surely find it here.

If any of you readers are looking for ideas on how to teach aviation, home decorating, Scandinavian or Russian literature, forests and forestry, high school radio workshops, or international understanding, or maybe if you are just curious—go to the Instructional Materials Bureau, in the reserve room.

Delta Zetas Entertain Merry Band of Pirates

"Merry Band of Pirates" was the theme of the recent Delta Zeta informal rush party. Members and rushees arrived at the party dressed as their favorite pirates.

Treasure Island decorations provided the perfect environment. Pirate food was eaten in strictly pirate fashion. Katy Taylor, the captain's first mate, announced the entertainment which consisted of three numbers. Priscilla Drake and Carolyn Hauser played a piano duet, Karla Wesack and Delores Kleuver gave a pantomime, and Judy Jeffries, Priscilla Drake, and Katy Taylor sang a musical number.

Dr. Berndt Angman To Attend Meeting

Dr. Berndt Angman will attend the Missouri Political Science Association meeting at Westminster College in Fulton, October 25. Dr. Angman will leave Thursday and will return Saturday.

The high-point of the meeting will be a luncheon at which Senator Stuart Symington will speak. Dr. Angman hopes to learn useful information in teaching political science to freshman students. Also, a lecture on the Soviet Foreign Policy will be an interesting topic to be discussed at the morning session.

Richard "Bruno" Oakerson was on the campus last week visiting friends after spending 28 months in the Far East. He was with the Armed Services' Radio and Television Services and was stationed in Formosa, Japan, Okinawa, Hong Kong, Singapore, and other Far Eastern points.

Part of Mr. Oakerson's duties included interviewing movie stars, visiting senators, and such VIP's as Secretary of State Dulles. He said his most difficult assignment was covering an airplane crash on a mountain top in which 14 American servicemen were killed. He is now returning to Del Rio, Texas, and is planning a lecture tour with slides and movies of Far Eastern scenes.

Mrs. Robert Olson, the former Miss Betty Smalley, and her one and one-half year old son were campus visitors last week. She was formerly the secretary to the Dean of the Faculty, Dr. M. C. Cunningham, who is now president of Fort Hays, Kansas, State College.

Mr. Olson is now in England with the Strategic Air Command.

Pinning ceremonies took place recently for the following members of Sigma Sigma Sigma: Janice Dowden to Wayne Jackson, Donna Hall to Merle Sorenson, and Donna Sue Jones to Arnold Lyons.

Carolyn Ogden has received a diamond from Harry Bowes.

Mr. and Mrs. Art Buckingham returned to the campus Tuesday, Oct. 15, hoping to enjoy Walk-out Day. Mr. Buckingham, former president of the Student Government Association, was en route to Fort Sam Houston, San Antonio, Texas, from Fort Chaffee, Arkansas, where he has been stationed for some time.

Recently elected officers of the Sigma Sigma Sigma pledge class are Betty Anderson, president; Myrna Olson, vice-president; Jody Newcomer, secretary; Marty Maris, treasurer; and Judy Maris, song leader.

New pledges of the Alpha Sigma Alpha sorority elected officers at their first meeting. Peggy Humphreys was elected president; Barbara Burgess, vice-president; Ann

Porter, secretary; and Margo Floyd, treasurer.

New pledges were the guests at a dance held by the Phi Sigs and the Tri Sigs, October 15. The actives and nineteen Tri Sigma pledges, along with the Phi Sigs and some prospective pledges, danced to records in the Phi Sig chapter room.

Don Bennett, Phi Sigma Epsilon president, introduced Donna Sue Jones, Homecoming queen candidate of the two organizations, and her managers, Ron Searcy and Jerry Overton.

Four campus coeds and one graduate were out-of-country guests at the wedding of Miss Nancy Karriger and Mr. Bremer Jorstad at the Balboa Union Church August 3. Misses Shirley Molsinger, Norma Long, Ferral and Ferris Foster, and Beverly Murphy went by plane to the Panama Canal Zone to be present at their classmate's wedding.

Miss Karriger had received her degree from this college this past year.

Norma Long, senior, of Grant City, and Philip Bram, Denver, became engaged during the summer. They plan to be married in June.

Ann Schilling, senior, of Maryville, and Donald Waldeier, Worth, became engaged last month. The couple plans to be married after the spring graduation.

Donna Anderson, sophomore, of Shenandoah, Iowa, and Harold Lynch, junior, of Maryville, became engaged recently.

Roselynn Ringold, sophomore, of Maryville, and Max Voggeser, junior, of Atlantic, Iowa, were engaged last week. The couple is planning a May wedding.

Sigma Sigma Sigma sorority's formal rush party was attended by the active members and twenty-five rushees in the Tri Sigma chapter room Oct. 3. In keeping with the traditional theme of "deep purple," the song, "Deep Purple," was played as a duet by Barbara Julius and Eva Lee Hess.

Miss Neva Ross, sponsor of the sorority, served refreshments.

'Cats and 'Dogs to Fight at Kirksville

"Regain Stick" Is Battle Theme

Maryville's Bearcats scoot across the state Friday night, October 25, to try to retrieve the "Hickory Stick" they gave to Kirksville's Bulldogs last year in a tight gridiron tilt which saw the Bulldogs edge the Bearcats 21-20.

Kirksville has won 22 and Maryville has won 11 games with 3 being tied in a series dating back to 1908. The year before last, the Bearcats won the hard fought battle 6-2.

Since 1924 Kirksville has won the conference title eleven times and shared the top spot three times. Maryville, in the same period, won four championships and tied for it twice. The last one for the Bearcats was shared with Kirksville in 1952.

Michael Brombolich, center; Charles Fitzgerald, fullback; Billy Mills, halfback; and Dale Smith, guard, are the only seniors on the squad that includes 17 returning lettermen.

Rich Isett, guard, and Dave Turner, fullback, both transfer students from the University of Missouri, and George Nelson, quarterback, a transfer student from Rutgers University, are counted on to help bolster the team. All three are sophomores.

Albert Sandler, 6'4" and 250 lbs., is the biggest man on the squad, while at the other extreme is Wayne O'Neal, 5'6", 145 lb. freshman halfback for the Bulldogs.

Head football coach Maurice "Red" Wade is serving his seventh year as the head coach of Northeast Missouri State College. Coach Wade is a former backfield star at the University of Missouri, 1941 and 1942, and the University of Tulsa, 1943 and 1944. At both Missouri U. and Tulsa U. he received honorable mention for All-American honors and was placed on some All-American lists.

Assistant Coach Kenneth Gardner lettered four years at tackle for the Kirksville Bulldogs and in 1940 received honorable mention on the M.I.A.A. All-Conference team. He was named to the All-Conference team in 1941 and again in 1945 after a brief interruption by World War II. This is his seventh year at the College.

Assistant Coach Boyd King is another product of Northeast Missouri State, where he won four letters in football, three in basketball, and four in baseball. Coach King is also the head basketball coach.

Billy Mills and Charles Fitzgerald are co-captains for the Bulldogs. Kirksville players lost their first five games of last year but finished strong to post a three wins and five losses record. The Bearcats finished with two wins and seven losses.

Kirksville's probable starting line-up will be Jack Hamnock, 185, end; Bob Haller, 230, tackle; Clinton Lessor, 235, guard; Michael Brombolich, 190, center; Gerald Carter, 200, guard; Jim Blacklock, 235, tackle; Thomas Lannaghan, 190, end; Jerry Porter, 160, or George Nelson, 175, quarterback; Billy Mills, 170, halfback; Rufus Davis, 170, or Dale Mills, 160, halfback; and Charlie Fitzgerald, 185, or Dave Turner, 195, fullback.

Staff Poet Looks Over League Play

Conference play has begun at last . . . now that non-league games are past . . . Springfield beat Maryville, 0-3 . . . a very sad story we all do agree . . . Cape Girardeau's Indians are really in heaven . . . after beating Kirksville, 19-7 . . . Warrensburg's Mules looked like hicks . . . when they lost to Rolla, 47-6.

Highlights of the conference: Bob Halterman's 31 yard field goal to give the Springfield Bears their second straight three point victory over the Bearcats and the hard running of Perry Allison and Ray Parker in leading the Rolla Miners to their 47-6 conquest of Warrensburg.

Lowlights of the conference: The Warrensburg Mules, last year's co-champions, losing their fourth straight game of the season.

Rolla Miners Run Over 'Cats, 37-21

Rolla's running power proved to be too much for the Bearcats as the Miners took a commanding lead in the third quarter and never relinquished it.

This second half spurt by Rolla gave them a tie for the top spot in the conference with Springfield.

After holding Rolla to a 14-14 half-time score in which the Miners had to come from behind to tie the score, the Bearcats seemed to let down and were never in the ball game again.

Score By Quarters

	(1)	(2)	(3)	(4)	Total

Bearcats

Take a Bow

Bearcats are good diplomats. At least Mr. and Mrs. E. V. Fryhoff, of the Sky Haven Motel, Warrensburg, think so.

President J. W. Jones recently received the following letter from the Fryhoffs:

"Dear Sir,
Your football squad were guests last night here at Sky Haven Motel. This little note is to tell you that we were very much impressed by the deportment and manners of the boys and their coaches. They are indeed a credit to your college and to the coaches who have charge of their training program.
We enjoyed their stay at our motel—Thanks for doing such a good job.
Sincerely,
Mr. and Mrs. E. V. Fryhoff"

Council to Plan Women's Activities

Plans are being organized for forming basketball, bowling, and riflery teams for girls, according to the Women's Intramural Council. There are to be ten members for the basketball team, six members for the bowling team, and five members for the riflery team.

These activities are open to any girls who are interested in organizing a team. Girls who are interested should sign up in the physical education office on first floor, before Friday, Oct. 25. Scheduled practices will be set up by the physical education department.

Tournaments will begin Monday, November 11.

"B" Game Is Rained Out

Rain washed out the Bearcat "B" game slated at Liberty last week. It has been rescheduled for Oct. 28 at Liberty.
